## Annual Report of the Board of Selectmen

---

The organization of the Board of Selectmen for 1942 took place on March 3, 1942. Patrick Carroll was unanimously chosen Chairman, the other two members being John H. Henderson and Adam F. Diorio.

For the first time since 1933, John H. Gardella was not a member of the Board, he having declined to be a candidate because of ill health. For nine consecutive years he was elected as a Selectman, the first to be so honored in the Town's history. He brought to the Board of Selectmen a broad business knowledge, gained by many years of successful private business enterprise.

He was courageous and energetic enough to take the time from his business affairs and devote part of it to the town in which he lived. Defying abuse and calumny, he refused to be driven out of public affairs, but had confidence in the sound judgment and fairness of the electorate, which never failed him of election. He possessed the virtues of honesty, humanity and humility and he had that elusive gift of knowing how to get along with people, a most valuable asset in civilized communities. His death occurred on September 14, 1942, and his memory will long endure as an example of good citizenship.

It is now certain that Works Progress Administration projects will be discontinued by the Federal Government during the coming year. An outline of the local projects sponsored by the Town are contained in the report of the W.P.A. Agent.

There are still some copies of the book containing a codification of the Legislative Acts accepted by the Town, and of the By-laws and Traffic Rules which have not been distributed. They can be obtained for twenty-five cents each, as fixed by Article 18 of the 1941 Annual Town Meeting.

Repeated protests are made to the Selectmen by various residents on account of the opening of mercantile establishments in certain residential areas. Nothing can be done in the matter, however, until Zoning Rules and

Regulations are adopted by a Town Meeting upon the report of a committee appointed for the purpose. Unless there has been a change in public sentiment since the last report was submitted, the fate of which was unfortunate, it would not seem fair to ask a new committee to undertake this laborious and detailed work at this time.

This Board has co-operated with the Federal and State Governments in the work of Civilian Defense and in other matters incidental to the progress of the war. A chairman of the Defense Committee was appointed by the State Director of Civilian Defense upon recommendation of the Selectmen. Various officials, sub-committees and divisions have been, in turn, set up throughout the Town and the value of the voluntary work, time and effort given by these men and women who have taken part, cannot be over-estimated. All bills contracted for must be first approved by the Chairman of the Defense Committee before submission to the Selectmen for payment out of the appropriation made in 1942.

The Selectmen were called upon by the Governor to appoint a Rationing Board and to provide an office with necessary equipment for its use. The control of this work, choosing of employees and the performance of their multiple duties, are all functions of the Rationing Board, but with the exception of the clerk's salaries the cost of maintenance is paid by the Town, all bills therefor being approved by the Selectmen.

Legislation was passed in 1941 providing for replacements of town officers and employees who have enlisted in the military or naval service, who are entitled to a leave of absence for the duration of the war or until their terms of office expire, whichever first occurs. Military substitutes for the elected officers are chosen by a board composed of the Moderator, Selectmen, Town Clerk and Town Treasurer, while the appointed officers are filled by the Board who have the authority to make the original appointment. Several leaves of absence under this legislation have been granted and military substitutes appointed in accordance with the statute.

The current shortage of fuel oil has affected all Town buildings in which oil is used. The Selectmen seasonably applied to the War Production Board for a priority on a stoker for the Town Hall, which was not

granted. Conversion to coal has now been made possible by the use of grates, which are expected to arrive shortly, after which the Town Hall will be reopened Saturdays as formerly.

A service flag hanging from Memorial Hall, placed there by the American Legion, proclaims the solemn fact that over 1200 residents of Milford are now in the armed forces. Additional numbers are being constantly added. To these men and to their relatives left behind, the Selectmen, in behalf of the Town, extend sincere gratitude and appreciation for the sacrifices they are making in helping to bring the war to a successful conclusion. Milford's contribution to the present war, in numbers and in personnel, upholds the splendid tradition and example set by the Town in previous national conflicts. We know that they will do their share, side by side with their comrades from every city and town, village and hamlet in the country. And while they are doing this, we pledge all the efforts and resources of the community, insofar as they are legally available, to them and to our country until complete victory is won.

One parcel of real estate and part of another owned by the Town by tax foreclosures in the Land Court, have been sold under authority granted by the 1942 Annual Town Meeting. Two abandoned schoolhouses were likewise authorized to be sold, which the Selectmen did after advertising the proposed sales.

An allotment from the Excess and Deficiency Fund to apply on the tax rate of 1942, was obtained from the Division of Accounts, with a substantial reserve left to apply against future obligations, and the bonded debt of the Town was reduced \$44,744.03. Early consideration to liquidating 1942 and prior taxes should be given by the Tax Collector before the Commissioner of Taxation approves the rate for 1943, otherwise this year permission will not be forthcoming.

The usual number of public hearings have been given on varied matters which have arisen during the year, questions of policy involving Town affairs put to the Selectmen by those interested have been disposed of, all bills against the Town have been examined by the Selectmen before approval for payment, and meetings

of the Selectmen have been held at least once each week to dispose of public business.

We are grateful to the townspeople and the Town officials for the kind consideration shown us during the past year in the performance of our duties, for it has helped to lighten them in no small degree.

Respectfully submitted,

PATRICK CARROLL

JOHN H. HENDERSON

ADAM F. DIORIO

## Report of the Civilian Defense

---

W. Emil Moore, Chairman of the Civilian Defense Committee, began his duties in 1941 and organized the various committee heads.

The Report Center which is located at the V. F. W. Hall has a complete set-up equipped with telephones and spotting map each department having its own specified phone and in case of a blackout carries out the orders from the center and at all times the civilian defense officials are on the alert.

Rodolph L. Roy, who succeeded Michael J. Hachey as Chief Air Raid Warden and Leo Burns, Blackout Officer and Michael Apicella, Assistant to the Air Raid Warden hold weekly meetings with the various divisions.

During the year the following classes have been held: First Aid, Advanced First Aid, Motor Corps, Nutrition, Gas Decontamination, Canteen (First Aid is necessary with this class), Home Nursing, Drill work at the Armory (taken by the Canteen workers and Aux. Police), Drill work by Aux. Firemen.

A splendid Medical Unit has been outfitted and has the High School as the center in case of emergency.

An itemized report of the expenditures appears in the Selectmen's accounts and I feel sure that you will agree with me that the report is satisfactory.

I am pleased to inform the townspeople that we have been commended by the State for the excellent set-up at the Report Center.

At this time I would like to thank the Selectmen and all those who have in any way given their services to help in the progress of Civilian Defense activities.

W. EMIL MOORE, Chairman.

## Report of the Highway Surveyor

---

Herewith I submit my report as Highway Surveyor for the year 1942.

Although the cost of all bituminous materials that are essential to the proper maintenance of our highways have increased considerably, and can be secured only by approval of the State Department of Public Works, and a certificate from the Public Roads Administration, we were very fortunate in securing a sufficient amount to make very necessary repairs to Congress, and many other streets.

With new construction limited for the duration to military requirements, the proper maintenance of our existing roads is more important than ever. Our streets should be kept in the best possible condition to assure safe travel for the armed forces, industrial workers, and transportation of fuel and essential food supplies.

The importance of salvage operation has placed another burden on the Highway Department, one that will continue as long as the war lasts. Hardly a day passes that we are not called upon to collect some type of scrap.

The labor situation for emergency work has become a problem, but during the December snow and ice storms, the High School boys responded splendidly, and worked conscientiously.

We will strive to continue vital services in the face of steady mounting difficulties, to the best of our ability.

I wish to thank the Honorable Board of Selectmen, Finance Commission, Town Accountant, and all other Town Departments, as well as the Townspeople for their co-operation and good will during the past year.

Respectfully submitted,

J. FRANK CAHILL,

Highway Surveyor.

## Report of Town's W.P.A. Agent

---

To the Honorable Board of Selectmen and Citizens:

Below is the annual report of the accomplishments of the Works Projects Administration in Milford in 1942.

The Federal Government gave \$39,529.48 in wages here, and food, clothing, etc. through the local commissary on Central Street. The commissary report will be found in the report of the Welfare Department.

In nine years, the Federal Government has given to Milford in cash alone \$155,023.94. The payments were as follows:

C.W.A., 1933-34 .....	\$ 165,540.08
E.R.A., 1934-35 .....	201,760.23
W.P.A., 1935-42 Inclusive .....	1,182,928.63

---

Nine-year total, wages only .....\$1,550,237.94

With war work booming W.P.A. ranks have been gradually reduced during the past year. Naturally, with a limited number of workers, the amount of improvements we could make was drastically curtailed. Every effort has been made, and will continue to be made, to do the best we can with the help available.

Work done in 1942 included completion of the Freedom Street sewer, continued Housekeeping Aid in needy homes, construction of surface water drainage system on John and Central Streets, and began the construction of sewer on upper Fountain and Congress Streets; started the registration of graves of Veterans of all U. S. wars in all local cemeteries, and constructed concrete sidewalks with curbing and resurfacing of gutters on Central, Depot, Forest, and Union Streets.

## A CARD OF APPRECIATION

The undersigned, after nearly nine years service on the various Federal Relief Programs, (C. W. A., E. R. A., and W. P. A.), feels that in leaving that program he should once again extend his heartfelt thanks to the various town officials, public utility companies, private citizens and last, but by no means least, the loyal men and women who affiliated with him in the actual carrying out of the work end of the entire project.

Upwards of 3500 people at one time or another worked on the relief program. The largest number at any one time was 750 during the winter of 1933-34, but the list has gradually dwindled down to its present all-time low. I am pleased to think that I had a major part in preparing and carrying out this program of improvements in our town, and in the handling of the vast sums of money expended here by the Federal and local government.

I am leaving behind me many pleasant memories of friendships made and friendships which I hope will endure. To all my former workers on W. P. A., good luck and best wishes to each and every one of you.

Sincerely yours,

FRED J. COLEMAN,

Ex-W. P. A. Town Agent.

# Report of the Dog Officer

---

To the Honorable Board of Selectmen:

The following is my report as Dog Officer for the Town of Milford for the fiscal year ending December 31, 1942.

During the year I have investigated and adjusted numerous dog complaints from all parts of the Town. On July 1, there were turned over to me for investigation 39 unlicensed dogs, all were paid without Court Action.

During the year there were 876 dog licenses and 2 kennel licenses issued.

## RECEIPTS

Appropriation	\$487.50
---------------	----------

## EXPENDITURES

Austin J. Davoren, Salary	\$75.00	
Austin J. Davoren, Boarding and Shooting Dogs	173.50	
Austin J. Davoren, Serving Notices	14.00	
Austin J. Davoren, Investigating Complaints	79.00	
Austin J. Davoren, Auto Hire	1.00	
	<hr/>	
Total Expenditures		\$342.50
Balance		145.00

The total cost or \$342.50 less \$28.00 received from the County for boarding and destroying of dogs makes a net cost to the Town of Milford \$314.50.

Respectfully submitted,

AUSTIN J. DAVOREN,

Dog Officer.

# Report of the Inspector of Animals

---

Milford, Mass., Jan. 1, 1943

To the Honorable Board of Selectmen:

Owing to present war and government restrictions the State Division of Livestock Disease Control this year deemed it advisable to omit the usual annual inspection of farms and live stock, but I am able to report that, from observations taken on many visits in line of duty, conditions continue to be good and stock free from contagious and infectious diseases.

Two permits were issued by the State board for the entry into this town of two carloads of cattle for slaughter. These cattle were examined and checked and the proper returns made to the Dept. of Livestock Disease Control.

There were the usual number of dog bites, including 44 bites and 35 false alarms, which cases were found to be unwarranted reports.

Respectfully submitted,

B. F. HARTMAN,

Inspector of Animals.

# Report of the Inspector of Wires

---

To the Honorable Board of Selectmen:

The work of the wire inspector for the year ending December 31, 1942, including a few installations, has been mostly the supervision of remodeling work and of the continued installations of fluorescent lighting, especially in large buildings and factories.

I have inspected every building in which there was a fire, and I am glad to state that electric wires had not been the cause.

In a number of cases where I inspected amateur home wiring, which is often dangerous, I wish to state to the public, at this time, that it is cheaper in the end to have a reliable licensed man do the work and also see that the materials used are passed by the National Electric Code Standards.

There has been considerable improvement in the repairs of unsafe grounding.

Respectfully submitted,

MATTHEW N. NIRO

Inspector of Wires.

## Town Accountant's Report

---

To the Honorable Board of Selectmen and Voters of  
Milford:

Herewith I submit my annual report of the financial transactions of the Town of Milford for the year ending December 31, 1942.

Included is a Detailed Report of the Receipts from all sources of Income, a Detailed Report of the Expenditures of each Department and account, a Recapitulation and Estimate Table showing the Appropriation Receipts and Transfers, Expenditures, Balance December 31, 1942 and the estimated cost to run the various Departments as submitted by them for the coming year. Included also is the usual Balance Sheet, a Table showing the salaries paid Town Officers and also a Detailed Summary of the Net Funded or Fixed Debt of the Town.

I wish to thank all the Departments for their co-operation during the past year.

Respectfully submitted,

MICHAEL J. HANNIGAN,

Town Accountant.

## WELFARE PHYSICIAN

To the Honorable Board of Public Welfare:

Living conditions have been better this year, and likewise general health. At the Town Infirmary there has been no unusual illness and sixty-six calls were made there. Many of them were for minor ailments.

In the homes of the community one hundred sixty-two visits were required, and one hundred twenty-eight office calls. These figures are not too high for a town the size of Milford, and probably may be taken as proof that the local physicians do not desert their patients when adversity overcomes them.

The Board of Public Welfare and the office employees have been of much assistance and encouragement to me in the pursuit of my duties.

Respectfully submitted,

JOHN V. GALLAGHER, M. D.

## Report of the Board of Health

---

To the Honorable Board of Selectmen and the Taxpayers of Milford:

The Board of Health respectfully submits its annual report, together with the reports of its various appointees for the year ending December 31, 1942.

The Board of Health for the year ending 1942 consisted of Dr. Nicholas Capece, Chairman; Harris Treadeau, and Frank Calzone, Clerk.

The above members, Dr. Nicholas Capece, and Mr. Harris Treadeau were appointed October 16, 1942, to fill the vacancies caused by the resignation of Mr. Arthur Chambers, and Mr. Michael Bibo, October 1, 1942.

During the past year the Board of Health has held twenty-four regular, and ten special meetings.

At the March meeting the following appointments were made by the Board of Health; Meat and Provision Inspectors, Jeremiah Macchi and Dr. Benjamin F. Hartman; Sanitary Inspector, Walter Chapin; Physician, Dr. Francis H. Lally; Health Nurse, Alice E. Fitzpatrick; Dentist, Dr. William J. Clancy; Plumbing Inspectors, Charles Ferrante and John Power.

## Report of Board of Health Physician

As physician of the Health Board in 1942, I have performed the regular routine duties as in past years.

All the pupils in the Sacred Heart and St. Mary's schools were given a physical examination soon after school opened in the fall.

136 cards were signed for re-admission to school after illness with a contagious disease; 119 children were vaccinated at the clinics June 1st and June 8th; 153 received the 3 toxoid injections as preventative against diphtheria. These were held in the Lynch Auditorium in the Milford High School on Oct. 27, Nov. 3rd, 10th, and 17th.

Statistically, the number of communicable diseases has not been unusual, although we did have a slight increase in measles and scarletina late in 1942. There has been no epidemic or cause for alarm.

There is but one way of actually ascertaining the extent of diseases dangerous to the public health, and that is by establishing closer co-operation between physicians, householders and the Health Board. If a physician sees a patient ill with a contagious disease, he is the responsible party; but, if no physician is employed, then the householder should make a report to the Health Board.

Under the present food shortages and rationing, mothers must be more solicitous than ever as to the proper feeding of the growing children, and see that they have the best possible diet and eat their three meals a day.

Too many times have children who were underweight told me that they had a cup of coffee and a cookie or piece of toast for their breakfast. This is a very inadequate meal and no child can develop mentally or physically if it continues.

The foods necessary are milk, eggs, fruit, vegetables and meat. A school child should have at least a quart of milk daily, fruit, green vegetables and one serving of fish, meat or poultry. Cereals combined with milk are

very nutritious. Cod liver oil can be used to enhance the diet, and is essential for the growing child.

Following is a list of diseases declared by the Department of Public Health of Massachusetts to be dangerous to the public health, and reportable under the provisions of Sections 6, 7, 109, 111 and 112, Chapter 111, General Laws:

Actinomycosis; Anterior Poliomyelitis; Anthrax; Asiatic Cholera; Chicken Pox; Diphtheria; Dog-bite (requiring anti-rabic treatment; Dysentery—a. Amebic, b. Bacillary; Encephalitis Lethargica; Epidemic Cerebrospinal Meningitis; German Measles; Glanders; \*Gonorrhea; Hookworm Disease; Infectious Diseases of the Eye—a. Ophthalmia Neonatorum; b. Suppurative Conjunctivitis; c. Trachoma; Influenza; Leprosy; Lobar Pneumonia; Malaria; Measles; Mumps; Pellagra; Plague; Rabies; Scarlet Fever; Septic Sore Throat; \*Syphilis; Smallpox; Tetanus, Trichinosis; Tuberculosis (all forms); Typhoid Fever; Typhus Fever; Whooping Cough; Yellow Fever.

## REPORT OF BOARD OF HEALTH NURSE

To the Honorable Board of Health:

Gentlemen:

I hereby submit my report as Board of Health Nurse for the year of 1942.

### PAROCHIAL SCHOOLS

St. Mary's and Sacred Heart:

Total enrollment of both schools ..... 950

All pupils have their eyes and ears tested during the school year.

All pupils are weighed and measured during the school year.

A physical examination is given to all pupils by Dr. F. Lally, Board of Health physician during the school year. At this time notices of the defects are sent to the parents referring them to their family physician.

All pupils of the first four grades of both schools were given appointments to visit the school dentist Dr. W. Clancy and corrections of teeth were made by him.

At this time I would like to thank the committee in charge of the Dr. Curley Free Bed Fund for providing funds for Tonsillectomies, and also the Lions Club for providing glasses for needy children.

To the Honorable Board of Health:

Gentlemen:

The following is the list of Contagious diseases placarded, land posted, and complaints.

Scarlet fever .....	12
Land Posted .....	6
Fumigations .....	2
Inspection of stores for licenses .....	7
Bake shop inspections .....	6
Complaints .....	73

Also made inspection of ice cream stand at carnival for license as all parties making their own ice cream or frozen desserts require a license from the "Board of Health".

Will say in closing that I had to make two and three calls on some of the complaints before they were cleaned up, but as a whole the people co-operate, and we have no trouble.

Respectfully submitted,

WALTER H. CHAPIN,

Sanitary Inspector.

# Report of the Park Commissioners

Year 1942

---

To the Citizens of the Town of Milford:

We hereby submit our annual report with financial report appended for the year 1942.

Bancroft, Calzone, Draper and Town Parks have all been given their proportionate amount of care during the year with the limited funds of our Department.

The tennis courts were resurfaced and graded but weather conditions were hard to compete with this year.

The playgrounds were capably directed this season by a very efficient director and her able assistants. Over twelve hundred children participated in the activities.

A planned program of games was carried out daily by the children and inter-playground games were enjoyed. Air-raid drills and worth-while projects were carried out. Hikes and frankfurt roasts were a part of the program at no extra cost to the Town.

We wish to take this opportunity to thank all who assisted us in any way.

Respectfully submitted,

LOUIS W. BENOTTI, Chairman

WILLIAM J. SCHMITTHENNER

CHRISTOPHER C. MORCONE

## Report of the Tree Warden and Gypsy Moth Superintendent

---

To the Voters of the Town of Milford:

I hereby submit my annual report on the care and removal of trees and brush.

I have removed twenty-one trees this past year that were a menace to life and property at an average cost of Twenty-four Dollars per tree. I was able to do this work at such a low cost through the cooperation of Mr. Frank Cahill, our Highway Surveyor, who allowed me the use of his trucks in removing brush and wood from trees that I had cut. If I had to pay for all the trucking, I would not have been able to remove so many, as I had one hundred and two hours trucking. I wish to publicly thank Mr. Cahill at this time. I also wish to thank Fire Chief Adams for his cooperation.

I received and investigated 67 complaints, mostly for gypsy moth, elm leaf beetle, tent caterpillar and fall webb worm.

I have experimented with the Corroselli injection method for the care of diseased trees, and find that it is way ahead of any method now in use. I will continue to use this so-called Corroselli method in the future.

Brush has been cut down and burned on Haven Street, Howard Street, Maple Street, Birch Street, Asylum Street, part of Highland and North Vine Streets. I have also cut some brush on Carroll Street, East Walnut, Beaver and Camp Streets.

The Gypsy Moth situation is very bad in this town as the appropriation is too small and the whole town cannot be taken care of. Under the heading of Gypsy Moth we should also take care of the Tent Caterpillar, Fall Webb Worm, Leopard Moth, Elm Leaf Beetle and the Maple Borer.

Respectfully submitted,

MATTHEW P. ANDREANO,  
Tree Warden and Moth Superintendent.

## Tax Collector's Report for 1942

---

To the Selectmen and Citizens:

On Sept. 19, 1942, the Board of Selectmen unanimously appointed me to the position of Tax Collector. I assumed office on Sept. 21, on approval of my bond. Herewith is presented my report from that date to January 1. The report of the late Collector, William J. Read, for the previous months of the year will be found elsewhere in this Town Report, as submitted by the State Auditors.

This office is now open about seven hours weekly more than under the previous schedule. Hours now are 9 a. m. to 5 p. m., including the noon hour, and Friday evenings from 7 to 9 o'clock. Until the fuel shortage caused the closing of Town Hall offices Saturdays this office was open from 9 to 3 o'clock on that day.

I have made several changes in the office, and plan to make many more, to the end that Milford may have a modern system of filing and a modern office for the transaction of a tax business that involves the handling of nearly \$1,000,000 annually.

The table on the opposite page gives concisely my financial report since assuming office. It shows the debits, credits and balances, giving the taxpayers a clear picture of the work accomplished in this department.

As of Jan. 1, 1943, there is a total \$72,209.75 less in outstanding (unpaid) taxes than on Jan. 1, 1942. It is my hope that during the coming year an even greater reduction in unpaid taxes can be shown, thus increasing the town's resources, and aiding materially in reducing the tax rate.

In closing I wish to sincerely thank the various town and state officials for the whole-hearted, willing co-operation extended me in my new work, and the many citizens who offered me words of encouragement and advice. I assumed this office when tax collections were at their peak, and have given the office my constant attention and my best efforts. I trust my work has met with your approval.

Very truly yours  
FRED J. COLEMAN,  
Tax Collector.

## Report of the Sewerage Commission

---

To the Citizens of Milford:

The following report on the activities of the Milford Sewer Department in connection with new construction and the maintenance and operation of the system during the year ending December 31, 1942 is respectfully submitted:

Construction of lateral sewers under a W. P. A. project for Freedom Street and by independent contract in Archer Street and Ravenna Street have been completed.

On May 19, 1942 proposals were received from the following local contractors for construction of sewers in Archer Street and Ravenna Street.

Robert Costa Co., Inc.	\$5,172.75
Guido Sabatinelli	5,243.75
Philipo Bodio	5,299.50
Peter Consigli	5,514.75

The contract was awarded to Robert Costa Co., Inc. on the basis of being the lowest bid received. The work was completed without incident and record drawings and assessment schedules were prepared in accordance with usual department practice.

Based on the latest published reports of average results of analyses made by the State Department of Health, the efficiency of sewage treatment at the Milford plant, using the per cent removal of B. O. D. by filters and secondary tanks as an index, is 91. There are seven other trickling filter plants in Massachusetts and the average per cent removal by these plants is 85, and none show higher results than Milford.

The total number of connections between main and lateral sewers and abutting premises is 1971 and the length of sewers now totals 26.8 miles.

Respectfully submitted,

ALFRED F. MARTIN,  
GEORGE F. C. COOPER,  
FRED L. ROBERTI,

Sewer Commissioners.

# Report of the Milford Town Library

## REPORT OF THE LIBRARY TRUSTEES

The Trustees of the Milford Town Library submit the following report for the year 1942:—

There has been a decrease in the circulation of books. The downward trend in this circulation can be explained by the fact that many of the borrowers of the Library are engaged in different walks of life. Many are in the Armed Services and other War Activities and do not have the opportunity of using our Library facilities or the time previously had for reading. The funds at the disposal of the Library are limited and do not adequately supply our demands.

The Trustees have three of their close associates in the Armed Forces, Mr. David Davoren, a Trustee, Mr. William O'Brien, a past Trustee, and Mr. Robert McGinnis, former Librarian, to whom a leave of absence has been given for the Duration of the War. To these gentlemen the Trustees and the Library Staff extend heartiest good wishes and we hope for their safe and speedy return.

The Trustees also wish to extend their appreciation to every organization and individual, who donated books to the Library during the past year.

At this time, may the Trustees and Staff of the Library thank all who made donations to the Victory Campaign.

The Board respectfully calls your attention to the Librarian's report which follows and which describes in detail the facilities offered by the Library and its activities for the year 1942.

Respectfully submitted,

FREDERICK H. GOULD

Chairman, Board of Trustees.

### NOTES

Through the kind co-operation of Mr. Robert Cenedella, a Library Trustee and Principal of the Stacy School, the Library has established a small Branch Library in the Stacy School to serve the pupils there. Miss Harriett Carter has been in charge and has been very successful. The Librarian wishes to thank Miss Carter publicly for the interest and effort she has put into this work. The Librarian wishes, too, to thank Mrs. Harriet Hunter and Miss Cecelia Wallace for their co-operation in every way. To the Part-time Assistants, Miss Benlac and Mr. H. O'Brien, the Librarian is grateful for their co-operation.

National Book Week was observed in November.

---

The Milford Teachers' Association very generously donated three books of religious nature to the Library. The Library has been redecorated, new lights and blinds installed.

We are exhibiting posters, pamphlets, and literature of War Defense and we are very happy to serve the public regarding War and Defense Information. Soldier's Handbooks have been purchased and placed at the disposal of all.

## Town Counsel's Report

---

The suit in Worcester Superior Court against Ralph T. Harnden for breach of contract, arising out of the purchase by him of the Iron Foundry buildings, resulted in a finding for the Town of \$2,080.00. Supplementary process proceedings on the judgment were filed in the District Court of Western Norfolk at Franklin on September 24, 1942, which are still pending.

In 1942, 275 notices of tax taking of properties for back real estate taxes were prepared at the Tax Collector's request, as compared with 260 in 1941; 46 instruments of taking were drawn during the year, as compared with eight in 1941; and nine tax titles previously taken were redeemed or disclaimed, adjustment of the tax being made by the taxpayer, as compared with ten in 1941.

Four petitions to foreclose tax titles in the Land Court were filed at the request of the Town Treasurer, which is one more than in 1941. One foreclosure case was disposed of during the year by adjustment with the taxpayer, approval being first obtained from the State Tax Commissioner. This leaves a total of five foreclosure cases pending, the two oldest ones not being reported as yet by the Land Court title examiner.

Two petitions for abatement of taxes were filed against the Assessors in the State Board of Tax Appeals, but these, with the one pending from last year, were adjusted after hearing.

Four of the actions pending in the Superior Court against the Town for highway accidents were disposed of during the year. One tried to a jury resulted in a verdict of \$2,400.00, which was later compromised in the process of the Town's taking an appeal to the Supreme Court. Two resulted in judgments for the Town and the remaining one was settled. There is one case pending in the District Court.

One new suit for sidewalk injuries was entered in 1942 as compared with three in 1941. There were two pending in the Superior Court on January 1, 1943 as against five on January 1, 1942.

Five notices of new claims were served on the Town Clerk in 1942 as compared with ten in 1941. Thirteen claims were settled without suit having been brought as compared with one in 1941.

Two claims for land damages arising out of Purchase Street construction were settled. One case for damages to a traffic light standard instituted by the Town is pending in the Superior Court at Worcester.

The City of Boston brought a suit in Suffolk County Superior Court against the Town for aid alleged to have been furnished Milford residents, and the Town has filed a counter-claim for aid furnished persons with Boston settlements, which are pending.

The Town has brought suit against the Town of Northbridge for aid furnished Northbridge residents, which is pending in Worcester County Superior Court.

A suit has been brought against the Town for damages claimed for alleged breach of a garbage contract made in 1942 by the Board of Health, which is pending in the Superior Court of Worcester County.

A legacy of \$500.00 was collected from the Estate of Carrie P. Reid in Suffolk County Probate Court, to be used for care of Vernon Grove Cemetery.

Two mortgages and bonds from Old Age recipients were prepared and recorded in the Registry of Deeds as required by G. L. (Ter. Ed.) Ch. 118-A (St. 1936, Ch. 436), the same number as in 1941. Nine discharges were prepared in favor of the estates of the recipients, as compared with two in 1941.

Numerous written opinions have been given to the various Town Departments, with duplicate copies to other

Departments affected; many letters have been written, deeds covering conveyances from and to the Town, contracts between the Town and third persons, and releases in cases of all claims against the Town were prepared and their execution attended to. Answers in suits, in which the Town was named as Trustee, have been prepared and filed.

An itemized list of the cases which have been disposed of, with the location and date of the same, is appended hereto.

Respectfully submitted,

WILLIAM A. MURRAY,

Town Counsel.

Division of Accounts

State House, Boston,

August 11, 1942

To the Board of Selectmen

Mr. Patrick Carroll, Chairman  
Milford, Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Milford for the period from September 1, 1941 to June 14, 1942, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

TNW:CAH

Director of Accounts.

Mr. Theodore N. Waddell

Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Milford for the period from September 1, 1941, the date of the previous audit, to June 14, 1942, the following report being submitted thereon:

The financial transactions as recorded on the books of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined and reconciled with the books and records in the town accountant's office.

The books and accounts in the town accountant's office were examined and checked in detail. The recorded receipts were verified by comparison with the treasurer's books and with the records in the several departments making the original charges. The disbursements were checked with the warrants authorizing the treasurer to disburse town funds and with the payments as shown by the treasurer's books. Approved vouchers and payrolls were examined and checked with the books of original entry, and the recorded appropriations and transfers voted by the town were verified by comparison with the town clerk's records of town meetings.

The general and appropriation ledgers were analyzed, and a balance sheet, showing the financial condition of the town on June 14, 1942, was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were analyzed and compared with the collector's records of payments to the treasurer, with the records in the several departments in which charges originated or in which money was collected for the town, and with the other sources from which money was paid into the town

treasury. The recorded disbursements were compared with the warrants authorizing the treasurer to disburse town funds and with the accountant's books.

The cash book was footed, the cash on hand was verified by actual count, and the bank balances were reconciled with statements furnished by the banks of deposit.

The payments on account of debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The savings bank books and securities representing the investments of the cemetery trust funds and of the municipal contributory retirement funds in custody of the treasurer were examined and listed, the income being proved and the withdrawals verified.

Schedules showing a reconciliation of the treasurer's cash and summaries of the trust funds have been prepared and are appended to this report.

The tax title deeds on hand were examined and listed, the amounts transferred from the several tax levies being verified. The tax titles as listed were compared with the records in the office of the Registry of Deeds.

The books and accounts of the tax collector were examined and checked in detail. The commitments of taxes were compared with the warrants issued by the board of assessors, the recorded abatements were checked with the assessors' records of abatements granted, the recorded collections were checked with the payments to the treasurer as recorded on the treasurer's and the accountant's books, and the outstanding accounts were listed and verified.

Further verification of the outstanding taxes was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

Schedules showing summaries of the accounts committed to the collector are appended to this report.

The financial records of the town clerk were examined and checked in detail. The records of licenses granted were compared with the records of licenses issued, and the receipts on account of licenses and permits were checked and proved. The recorded payments to the treasurer were verified by comparison with the treasurer's books.

The collections on account of sporting licenses issued were verified and compared with the amounts paid to the Division of Fisheries and Game.

In addition to the departments mentioned, the books and accounts of the sealer of weights and measures, the plumbing inspector, and of the health, highway, public welfare, school, library, and cemetery departments were examined and checked, and the payments to the treasurer were verified.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

For the cooperation extended by the various town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HBD:CAH                      HERMAN B. DINE,  
Assistant Directors of Accounts.

## REPORT OF AN AUDIT

of

## THE ACCOUNTS OF THE LATE TAX COLLECTOR OF THE TOWN OF MILFORD

for the period from June 15, 1942 to September 19, 1942

Made in accordance with the Provisions of  
Chapter 44, General Laws

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation

---

Division of Accounts

State House, Boston,  
October 15, 1942

To the Board of Selectmen  
Mr. Patrick Carroll, Chairman  
Milford, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the late tax collector of the town of Milford for the period from June 15, 1942, to September 19, 1942, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

TNW:CAH

Director of Accounts.

Mr. Theodore N. Waddell  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the late tax collector of the town of Milford for the period from June 15, 1942, the date of the previous audit, to September 19, 1942, preparatory to a recommitment of taxes and assessments to a new collector, and submit the following report thereon:

The taxes and assessments outstanding at the time of the previous examination, and all subsequent commitments, were audited and checked with the assessors' warrants. The recorded collections were compared with the payments to the treasurer as recorded on the treasurer's cash book, the abatements were checked with the assessors' records of abatements granted, the transfers to the tax title account were verified, and the outstanding accounts were listed and proved.

Verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The cash balance on September 19, 1942, was reconciled with statements furnished by the banks of deposit.

Appended to this report are summaries of the tax and assessment accounts.

For the cooperation received from the several town officials during the process of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

HBD:CAH

Assistant Director of Accounts.

## ANNUAL TOWN MEETING, MARCH 11, 1942

Worcester, ss.

Milford, March 11, 1942.

At a legal meeting of the inhabitants of the Town of Milford qualified by law to vote in Town Affairs held in Town Hall on the eleventh day of March, 1942, the said inhabitants proceeded as follows:

The meeting was called to order by John T. McLaughlin, Moderator, at 8:00 o'clock P.M.

The following Monitors to check the lists of Town Meeting Members and the Members-at-Large were appointed by the Moderator:

At Large—Walter L. Adams  
 Precinct 1—Daniel J. O'Brien  
 Precinct 2—Angelo Barbadoro  
 Precinct 3—William J. Moore  
 Precinct 4—Alfred E. Daigle  
 Precinct 5—Charles W. Gould

Elmer Nelson was appointed to fill the vacancy at Large incurred by the absence of Walter L. Adams.

The following were appointed to check the lists: George W. Billings, John J. Best, William E. Moore.

There were 168 present which constituted a quorum. The Clerk read the warrant and the Officers return. It was voted to dispense with the reading of the warrant.

Article 2. Myron Morey, Secretary of the Finance Committee, presented the following report of the Finance Committee:

### TO THE VOTERS OF MILFORD

We are in serious times. Federal expenses are running to figures beyond our comprehension and these expenses are, of course, reflected in both direct and hidden Federal taxes. As a consequence it would appear that

local and selfish appropriations should be carefully studied and only those things which are NECESSARY to the town should be voted during the emergency. We therefore ask that each Town Meeting Member give more time than usual to careful thought about each item before voting on that item.

Realizing that living costs are increasing and that those engaged in defense work are able to work longer hours and receive a larger salary we have decided that certain, temporary at least, help should be given to town employees.

We have therefore passed the following vote and have adjusted the budget requests of each department in accord with the raises in pay involved.

“We recommend that all appointive employees of the town who have not received an increase in salary since January 1st, 1940, be given an increase of 10% ; that all appointive employees of the town who have received an increase in salary since January 1st, 1940, and before January 1st, 1942, be given an increase of 5% ; that there be no further increase to any appointive employee whose salary has been increased since January 1st, 1942; that in no event shall any appointive employee receive an increase of more than \$200.00 per year; that all of said increases shall be effective only for the period beginning March 1st, 1942, and ending March 1st, 1943, and that said increases shall be in addition to any step increases now in force.”

This method may not satisfy all concerned but appeared fairer to us than only recommending raises to those who asked for them.

Article 1. To hear and act on reports of Town Officers and Committees.

Article 2. To raise and appropriate money for Town Expenses.

Article 4. Asks authority for the Selectmen to take charge of all legal proceedings for or against the Town. Finance Commission recommends that such authority be given.

Article 5. Seeks to set the compensation of the Tax Collector for 1942. Finance Commission recommends that this amount be continued at \$3,500.00.

Article 6. Asks that the \$1,667.85 return from the County for 1941 Dog Taxes be appropriated to the Town Library. Finance Commission recommends that \$350.00 be appropriated to salaries and wages and \$1,317.85 to expenses under Library account.

Article 7. Asks that the Town choose a Director of County Aid to Agriculture. Finance Commission does not act on this article.

Article 8. Asks authority for the Selectmen for the year 1942 to sell any Real Estate acquired under Tax Title foreclosures. Finance Commission recommends that this authority be given.

Article 9. Asks for authority to use available funds against the total of Town appropriations for 1942. To be used by the Assessors in setting rate for 1942. Finance Commission recommends that a sum not to exceed \$25,000.00 be authorized for this purpose from the E. and D. account.

Article 10. Asks the Town to raise and appropriate \$780.00 to pay for clerk hire for the Town Clerk. Seeks to make this appropriation retroactive to January 1st, 1942. Finance Commission recommends that the sum of \$400.00 be raised and appropriated to assist in cost of clerical work in Town Clerk's Department.

Article 11. Asks authority to transfer \$1,400.00 from Machinery Fund of the Highway Department to the Machinery Account. Finance Commission recommends that this authority be given inasmuch as this money was earned by the Highway Department but cannot be used by that Department until transferred.

Article 12. Asks the Town to increase the salary of the Highway Surveyor. Finance Commission recommends that the salary for Highway Surveyor and Clerk of Highway Department be set at \$2,400.00 per year, and that the Town raise and appropriate \$400.00 for said purpose to be added to Salary and Wages account of the Highway Department.

Article 13. Asks an appropriation for improvements to Congress Street. Finance Commission recommends \$2,500.00 for materials to repair Congress Street, be raised and appropriated.

Article 14. Asks that \$800.00 be raised and appropriated for Chapter 90 Maintenance. This money to be used with any money allotted by State and County for

the care of highways built under Chapter 90 construction money. Finance Commission recommends that \$800.00 be raised and appropriated for this purpose, provided, equal amounts are allotted by both State and County.

Article 15. Asks that \$25,000.00 be raised and appropriated for the Tools and Materials account in connection with W. P. A. salaries, tools, materials, truck hire and other expenses in connection with this activity. Finance Commission recommends that \$2,450.00 be raised and appropriated for Salary and Wages and \$12,550.00 be raised and appropriated for Expenses under this article.

Article 16. Asks if the Town will vote to appoint a committee on the advisability of establishing a Town Forest. Finance Commission recommends that this article be passed over.

Article 17. Asks if the Town will increase the compensation of the Tree Warden.

Finance Commission recommends that compensation of Tree Warden be set at \$27.50 per week while working.

Article 19. Asks that the Town accept the provisions of certain laws relative to leave of absence of Town Employees for Military Service, with full pay continued. Finance Commission recommends that the Town does not accept the provisions of these statutes.

Article 20. Asks the Town to raise and appropriate \$1,150.00 for repairs to Carroll Street. Finance Commission recommends that this article be passed over.

Article 21. Asks the Town to increase the salaries of Chairman and Members of the Welfare Board. Finance Commission recommends that a 10% increase be granted and moves to raise and appropriate \$65.00 to be added to Welfare Salaries and Wages account for this purpose.

Article 22. Asks that the Town raise the salary of the Superintendent of Sewers to \$1,760.00 per year. Finance Commission recommends that this article be passed over.

Article 23. Asks that \$1,000.00 be raised and appropriated for the purchase of a truck by the Sewer Department. Finance Commission recommends that this article be passed over.

Article 24. Asks for a vote to raise and appropriate money for improvements to Highland Street. Finance Commission recommends that W.P.A. do what is required out of Tools and Materials account.

Article 25. Asks that \$6,000.00 be raised and appropriated for sewers on Archer and Ravenna Streets. Finance Commission recommends that this article be passed over.

Article 26. Asks for \$5,000.00 to be raised and appropriated for Chapter 90 construction on Congress Street. Finance Commission recommends that this appropriation be passed over. It seems certain now that there will be no money available from State or County for Chapter 90 Construction.

Article 27. Asks \$13,000.00 be raised and appropriated for Civilian Defense expense, to be spent by the Selectmen. Finance Commission recommends that \$3,500.00 be raised and appropriated for this purpose. If any trouble does arise the Selectmen are legally authorized to declare an emergency and to spend what is needed.

Article 28. Asks for money to improve Hayward Street Playground. Finance Commission recommends that this article be passed over.

Article 29. Asks that Florence Street be accepted as a public street. Finance Commission takes no action on this article.

Article 30. Asks that Oliver Court be accepted as a public street. Finance Commission takes no action on this article.

To the Voters of Milford:—

If you have followed our recommendations in this Town Meeting you have voted to raise and appropriate \$761,069.00. Allowing for all the other things which are added or credited to this sum you will have to raise by taxation \$869,074.00. With a net valuation of \$14,600,000.00 you will therefore have a Tax Rate of \$42.00 per thousand dollars of valuation.

Whatever you have added or subtracted from our recommendations will increase or decrease the Tax Rate.

We hope that you have considered the best interests of everyone, as we have tried to do, rather than the specific benefits to your friends.

MYRON MOREY

## COMMONWEALTH OF MASSACHUSETTS

Worcester, ss.

Grafton, November 13, 1942.

In compliance with the provisions of Section 125 of Chapter 54, General Laws, we, the Clerks of the Towns of Grafton, Milford, Shrewsbury, Southborough, Upton and Westborough, which Towns comprise the Tenth Worcester Representative District in Worcester County, assembled at the office of the Clerk of the Town of Grafton at twelve o'clock noon on Friday, the thirteenth day

of November, 1942, which is the tenth day following the day of election, and canvassed the votes cast in said Towns for two Representatives in the General Court to be holden at Boston on the first Wednesday of January next, which votes were given in at legal meetings held on the third day of November, 1942, and were returned to us as by law required. The results of the votes cast are shown in the following tabular statement:

	Grafton	Milford	Shrewsbury	Southboro	Upton	Westboro	Total
James F. Catusi of Milford	891	3236	1485	470	486	1078	7646
Earl G. Crockett of Upton	1185	2719	1886	526	722	1441	8479
Scattered votes	1

Total	3882	9104	5088	1556	1868	3816	25614

James F. Catusi of Milford and Earl G. Crockett of Upton, having received the largest number of votes, were declared elected, and to them certificates were issued and a duplicate copy thereof was sent to the Secretary of the Commonwealth as the law requires.

In witness whereof we, the Clerks of the said Towns of Grafton, Milford, Shrewsbury, Southborough, Upton and Westborough hereunto set our hands this thirteenth day of November, 1942.

Robert S. Leonard	Town Clerk of Grafton
Catherine L. Coyne	Town Clerk of Milford
Alden C. Stone	Town Clerk of Shrewsbury
Charles L. Fairbanks	Town Clerk of Southborough
George G. Newton	Town Clerk of Upton
Annie A. Dunne	Town Clerk of Westborough

## Vital Statistics

---

Parents and others are requested to carefully examine the following lists and if any errors or omissions are discovered report them at once to the Town Clerk, that the record may be corrected, as it is of importance that the record of Vital Statistics should be complete. Herewith are extracts from the General Laws of Massachusetts Chapter 46.

Section 3. Every physician or hospital medical officer registered under Section nine of Chapter one hundred and twelve, in this chapter called officer, shall keep a record of the birth of every child in cases of which he was in charge, showing date and place of birth, the name, if any, of the child, its sex and color, the name, age, birthplace, occupation, and residence (including the street, number, if any, and the ward number, if in a city) of each parent, the maiden name of the mother and the name of the physician or officer, if any, personally attending the birth. If the child is illegitimate, the name of, and other facts relating to the father shall not be set forth except upon written request of both the father and mother. Said physician or officer shall within fifteen days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred, a report stating the facts herein above required to be shown on said record and also the said written request, if any; provided, that if said report is not so made within forty-eight hours after such birth, said physician or officer shall, within said forty-eight hours, mail or deliver to said clerk or registrar a notice stating the date and place of birth, the street number, if any, the ward number, if in a city, and the family name. Upon presentation to him of a certificate of the Town Clerk stating that any such birth has been duly reported, the Town Treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported. Any physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars.

Section 4. A member or servant of a family in which a child is born, having knowledge of the fact required for record relative to such births, shall furnish

the same upon request of the clerk of the town where such child was born or its parents reside, or of any person authorized by him. Such member or servant refusing to furnish such facts shall be punished by a fine of not exceeding ten dollars.

Section 6. Parents within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born. Every householder in whose house a death occurs and the oldest next-of-kin of a deceased person in the town where the death occurs shall, within five days thereafter, cause notice thereof to be given to the board of health, or, if the selectmen constitute such board, to the town clerk.

The keeper, superintendent or person in charge of a workhouse, house of correction, prison, reformatory, hospital, almshouse or other institution, public or private, which receives inmates from within or without the limits of the town where it is located shall, when a person is received, obtain a record of all the facts which would be required for record in the event of the death of such person, and shall, on or before the fifth day of each month, give notice to the town clerk of every birth and death among the persons under his charge during the preceeding month.

Blanks for returns of births and deaths may be obtained at the office of the town clerk.

## Report of the Superintendent of Schools

To the Honorable School Committee of the Town of Milford.

Gentlemen:

This is my record and the sixty-fourth report of this kind to be submitted to your committee by the Superintendent of Schools.

### CARE AND REPAIR OF BUILDINGS

South Grammar—During the summer vacation the inside of the building was completely renovated—last year a new heating system was installed and the individual room stoves were removed—this year all the rooms were painted—ceilings washed and painted—corridors plastered and painted—windows tightened—outside painted. The school is now in excellent condition.

Oliver Street—The outside is newly painted in an attractive color and plans are under way to paint the inside corridor and stairways and repair the cement walks about the building.

Chapin Street—Plans are under way to paint the inside of this building when funds are available.

Claflin Street—Only minor repairs were made at this school because the committee feels that this is the school building which will require more and cost more than any other of the school buildings to recondition.

Plains School—New corridor walls and plastering have been done at the Plains Primary. Various leaks in the roof have been repaired and all the windows have been weather stripped.

Purchase—The Purchase School has been newly painted and is in very good condition.

Park Portable—The Park Portable has been turned back to the Selectmen and at this writing is being moved from the yard.

Park School—The stairways were repaired and several new black boards have been added to the class rooms.

This building was painted the year before and when the heating system is changed the building should be in good condition.

Spruce Street—This building was painted inside, ceilings washed and painted, corridor walls plastered and painted—basement walls plastered. This school will be in good condition throughout when it becomes possible to add a new heating system.

The School Committee starting in 1941 has carried out a program of painting and repairs in the buildings which already has begun to show its results.

The school yards are in poor condition and should have a covering of some kind. The stones are a constant hazard to the children. The committee has given this a great deal of consideration but could do nothing to remedy the condition because the funds needed were not available.

Plains Grammar—The Plains Grammar School has been taken over for the housing of the New Machine Trade School. This Machine Trade School was adopted by a vote of the Town meeting members in August 1942. In addition to the machines for the school and other necessary school equipment, there is a new heating system to take the place of the stoves which were in the individual rooms, new smoke stack—new boiler room—new lights—and a general renovation of the whole building. The inside has been completely changed and painted. It is planned to have this school ready in January when the schools reopen. Mr. Raftery and Mr. Winslow will be in charge of this school.

The Plains Annex has been boarded up to keep the building safe from the weather.

The General Vocational School has been discontinued upon the recommendation of the State Department. Mr. Stratton recommended the establishment of the Machine Trade School at a meeting of the School Committee in July 1942. The committee investigated and at a later meeting in July voted to sponsor a Machine Trade School in Milford and use the Plains Grammar building to house it.

This has been a most unusual year, due of course to

the War. With all the demands made on our teachers during the year I feel that they should be congratulated for their splendid work and cooperation. The School Committee also deserves special commendation for their help and cooperation and in particular for their program of care of school buildings.

We have just been informed that the U. S. Government will need the kind of oil we are using in the High School heating system and that we must convert from fuel oil to coal. The Committee has ordered grates from the H. B. Smith Company and will convert to grates as soon as they are delivered.

### **Additions to the Service**

Mr. Everett M. Winslow—added as shop man in the New Machine Trade School.

Concetta Oliva—added to High School faculty in October.

#### **Leave of absence:—**

March 18, 1942—J. Gerard Sweeney, a teacher in the High School—in military service of the U. S. A.

April 3, 1942—Charles J. Brucato, physical director and coach, to join the U. S. Marines.

### **Changes in Teachers**

#### **High School**

#### **Left the Service:—**

Miss Susanne T. Davoren—October 17, 1942—to become Mrs. Caswell.

Mr. James V. Zurlo—resigned in September to take a position in New Jersey.

#### **Grades**

#### **Left the Service:—**

Miss Elizabeth A. Riordan—June, 1942—to become Mrs. Jeffers.

Miss Irene C. Mainini—January, 1942—to become Mrs. Angier.

Miss Frances H. Kearnan—August, 1942—to become Mrs. Fay.

Miss Nina H. Mazzarelli—August, 1942—to become Mrs. Parillo.

Mr. Samuel Anastasia—resigned in July, 1942—now in the Brockton Vocational School.

**Transfers:—**

Miss Isabelle MacLachlan—to the Purchase Street school to fill the vacancy caused by the death of Miss Avis Moran.

Miss Mary C. Casey—to the Park School—in place of Miss Anne A. Mulligan who was granted a leave of absence for the year.

Miss Ada DiGiannantonio—to the Stacy school.

Miss Rita K. Fitzpatrick—to the Pre-Primary class, Chapin Street school, in place of Miss Riordan who resigned.

**Books Added:—**

New books for all the third and fourth and seventh and eighth grades of the new series “Modern-School Arithmetic” (Clark-Otis-Hatton-Schorling); new Spelling books—“Using Words” (Lillian E. Billington)—for the fifth and sixth grades; second, third and fourth year of the Tressler English series, New Aeronautics, Applied Chemistry, Applied Mathematics and new Stenography book in the High School.

**New Courses added in the High School:—**

Aeronautics, Applied Chemistry, Applied Mathematics, Machine Trade and Related Subjects: New (set of five books) stenography books for the High School; New equipment for the Office Practice course in High School.

In conclusion, I wish to extend my sincere thanks to all the employees of the School Department and to the members of the School Committee for their help and co-operation throughout the year.

Respectfully submitted,  
FRANK C. BERRY.

### MILFORD HIGH SCHOOL

The largest class in the history of the Milford High School was graduated on June 17, 1942, when 184 members of the senior class were awarded diplomas. Because of the record breaking number it was necessary to hold the exercises in the Town Hall once again.

The Fall session of school began September 1, 1942, with a total enrollment of 662 pupils, which includes: 145 seniors, 147 juniors, 167 sophomores and 203 freshmen. This total enrollment figure compares with a first day enrollment of 756 for September 8, 1941. To offset this decrease in student membership the vacancies on the teaching staff created by Mr. Gerard Sweeney, Mr. James Zurlo, Miss Katherine Hayes and Mr. Charles Brucato were not filled.

Three new courses were added to the curriculum offering. A course in Office Practice was made possible with the purchase and installation of additional office machinery. Specialized training and instruction is thus presented in filing, transcription and on various calculating machines. At the request of our Federal government separate courses in Aviation Science and Review Mathematics have been introduced as a medium of pre-induction training. Mr. Joseph Tosches of our faculty is teaching both of these courses which have proven to be very popular. In line with a nationwide trend we have increased numbers studying Physics, Algebra and Geometry. It is these science and mathematics subjects which are so essential as a background for activity in the military and industrial fields of today.

Throughout the year 1942 we managed to carry on in all phases of activity at Milford High School, although in some instances curtilment did enter into the frequency of certain educational, social and recreational programs.

The response to national defense activities by the student body has been most encouraging. War Stamps sales, Red Cross Drive, salvage campaigns, air-raid drills, first-aid courses, military guidance and many other pursuits have been undertaken. The spirit of co-operation of the student body, teaching staff and supervisors is worthy of a vote of thanks.

JAMES A. HIGGISTON,

Acting Principal.

### INSTRUMENTAL MUSIC

Ben C. Lancisi, Instructor and Director of the Milford High School Band and Orchestra

The students of the instrumental department have manifested a decided interest over preceding years.

Our junior members have doubled in number and are rapidly progressing to take part in the coming concert.

Due to travel curtailment, the High school senior band did not attend the annual football classics.

Favorable comments were received on the rendition of Christmas Carols, which helped to cheer some families.

Rehearsals are now in progress for the eleventh annual concert to be given sometime the latter part of May.

### GEORGE E. STACY SCHOOL

#### Report of the Principal

The following are the only changes in policy or practice in the Stacy School during the past year: (1) With the co-operation of the Public Library Department we have installed a school library in the former vocational boys' room; (2) Miss Fleming and Mrs. Naughton are teaching a more extensive course in home economics and home health problems, the two subjects being correlated; (3) because of the demands made on parents' pocketbooks by various war agencies, by the war bond

campaign, and by the increased taxes, the Stacy School Association has temporarily abandoned the collection of dues.

As the present principal departs on leave of absence, he wishes to extend to the teachers of the school and to all school department officials his warm thanks for the unusual degree of co-operation they have accorded him. He wishes success to the new acting principal and to all his former associates.

ROBERT CENEDELLA

Principal

### CONTINUATION SCHOOL REPORT

The Continuation school offers a general improvement course to girls between the ages of fourteen and sixteen who are allowed to leave regular school.

The course consists of:

Academic work, a household arts program, home hygiene, care of the sick and first-aid.

This year each member of the class in first-aid received a Junior Red Cross certificate upon satisfactory completion of the course.

All the girls who so desired were placed in household service positions and the demand for these girls is ever increasing.

The teacher visits the homes of these pupils and the results obtained from this contact are helpful to school and home alike.

Respectfully submitted,

BEATRICE J. FLEMING.

### REPORT OF THE SUPERVISOR OF MUSIC

This year, more than ever before, with the stress and strain of chaotic world conditions weighing so heavily upon us all, we have tried to make the classroom music period not only enjoyable and instructive, but also patrio-

tic and expressive. We believe more strongly than ever that Music is of absolute importance in the proper development of the emotional nature of the adolescent and we whole-heartedly agree with Professor Roy O. Billet, of Boston University, author of "Fundamentals of Secondary School Teaching" when he says that it should "become a part of the constant program of studies carried by all pupils." It is our hope that some day it will be universally so recognized. No doubt the writers of the present war songs recalled with gratitude their early classroom teaching when the fundamentals of musical language became part of their school-day knowledge enabling them to write the songs that will play a great part in helping to stem the tide of enemy advances.

In our Primary grades, the spirit of play and the imaginative world of little children are delightfully expressed through our simple, light, sweet-toned swinging rhythms. As the child advances, note reading and the singing of exercises are also taught.

In the Intermediate and Junior High classes, where two, three and four part singing is taught, one of our chief aims has been to develop the quality of tone and increase the technical knowledge of music fundamentals.

In our Senior High school a special Glee Club of more than one hundred voices has been formed and during the course of the year, many interesting programs have been given. In addition to the teaching of voice, much intensive work is done in the Theory and Harmony class and excellent results have been attained thus far.

In order to increase their appreciation for the best in music, plans are now being formulated for the students to attend a performance of one of the operas to be given later in the year in Boston.

I am grateful to all the teachers and principals for their sincere co-operation and loyalty, to the Superintendent, Mr. Berry, and the members of the School Committee for the many courtesies shown to me during the past year.

Very respectfully yours,

HELENA F. SWIFT,  
Supervisor of Music.

## REPORT OF ART DEPARTMENT 1941-1942

Our country is now engaged in a global war and the effects of such a war are bound to be reflected in education and quite specifically in art education. At no other time was there such a need for training in the mechanical and visual arts. Emphasis must be placed on accuracy with a clear understanding of measurement and angles. Boys and girls too must be trained to fill the needs of a nation at war. This we are endeavoring to do by presenting problems dealing with present day difficulties.

Posters have been made for the scrap metal drive, tin can collection and for the sale of War Savings Stamps and Bonds. The Quinshipaug Woman's Club sponsored one such contest and offered prizes of War Stamps which were won by several students in their respective groups. These posters, with drawings of Army and Navy insignia, were on display at the Milford Town Library.

While basic art principles are still the same the study of the types of planes and understanding of camouflage, propaganda, map reading and map making are important problems of the present time and find a place in the art course.

We pledge ourselves at this time to give our utmost in the "all out" war effort.

Respectfully submitted,

DORCAS WHIPPLE

## REPORT OF THE SUPERVISOR OF ART FOR THE PRIMARY AND ELEMENTARY GRADES

The art course consists of lessons that contribute toward the development of a child's creative ability, visualization and manipulation. Every classroom has an art exhibit of children's work.

This year the pupils in the fifth and sixth grades designed and painted posters to help in the war effort.

The members of the Quinshipaug Woman's Club were the judges and they selected the posters owned by the following children for prizes:

Fifth Grade:     First Prize—Norma Lombardi  
                       Second Prize — Barbara Fitzpatrick  
                       Third Prize — Paul Berry

Sixth Grade:     First Prize — Francis Bellafatto  
                       Second Prize — Rudolph Lioce  
                       Third Prize — David McGill

I thank the teachers for their kindness and co-operation during the year.

MARGARET V. CONDON

## REPORT ON PHYSICAL EDUCATION

The start of the school year in Sept. 1942 brought some changes in the athletic set-up at Milford High School. With the departure of Coach Charles Brucato into the Armed Services, J. Francis Cahill was appointed to assume the duties as coach of football, basketball, and baseball. In spite of the difficulties which arose concerning transportation, Milford High carried out its full football schedule. Although not acquiring many victories, the physical training and exercise so earnestly requested by the President were further developed and carried out, with much benefit being derived from the sport by the participants.

With the closing of football, basketball was begun and although many students have acquired work in the afternoons, a representative team will be formed and a schedule of games played. A great deal of interest has been displayed in the formation of an intra-mural league, embracing all four classes of the school. Also a Freshman league was inaugurated, including a few boys from the Stacy school. Many boys are participating in these leagues and enjoying the physical development coming from their playing. Girl's basketball was started under the supervision of Miss Agnes Crane and games will be played with some of the surrounding towns. Many girls are taking part in the sport and getting the necessary exercise which is forthcoming.

Milford High School expects to continue baseball in the spring months, carrying on a schedule which will be brief and curtailed because of traveling difficulties.

Some of the worthwhile achievements performed by the teams of Milford High in the past year were: finishing in second place in the Bay State League in Basketball and annexing the Midland League title in baseball by winning a total of eight games and losing none. This year it is not expected that the various leagues will function. However, if they do, the teams of Milford High will, no doubt, perform in their usual creditable manner.

J. FRANCIS CAHILL,

Athletic Director:

#### PHYSICAL EXAMINATION OF THE PUPILS

As will appear in the appended tables, our pupils are nearly equally divided into three groups—Primary, Grammar and High School—which may be easily compared.

Naturally the older pupils make a better showing with 51% having no glaring defects but they leave much to be desired when 152 High School students have mouth or teeth defects—chiefly teeth, and a complete dental examination would undoubtedly reveal many more.

The pupils in the Grammar Department have more dental defects than those in the Primary Department but the teeth of the younger ones are in the transition stage and were perhaps judged more liberally.

Some children were found to be poorly nourished, probably in some homes little attention is given to the important matter of nutrition and balanced diet. Far too many were found guilty of poor posture for which there is little excuse.

Notices of these defects have been sent to the parents and we sincerely hope that they will be considered seriously with the advice and counsel of the family physician or dentist.

## REPORT OF SCHOOL NURSES

As in years past the nurses have carried out a program of assistance to school physicians, clinics and the various facilities for promoting the physical, mental and emotional health of every school child.

A contribution has been made to the public safety program with first aid training of teachers and High school pupils.

The year has been a relatively good one so far as the usual communicable diseases were concerned. Because of an expected epidemic of contagious diseases, careful checking on the part of the teachers and intensive follow up of the absentees by the nurse in the elementary grades the attendance has been good.

### Resolutions

Whereas, it has pleased Almighty God, in His divine omniscience, to remove from our midst our beloved friend and former teacher and principal, Katherine G. McDermott, a member of the Milford Teachers Association from its inception; and

Whereas, her sister has been deprived of the love and devotion of a loyal, tender companion ever solicitous of her spiritual and temporal welfare; the community, of a citizen of sterling worth and integrity, whose daily life was a glowing example of gracious womanhood, whose thoughtful kindness endeared her to all those with whom she came in contact; and

Whereas, her many pupils and those teachers who served with her during her terms of leadership in the South Grammar and Park Schools will ever treasure the memory of happy days spent in an environment of cheerfulness and righteous living where Christian principles were exemplified daily; and

Whereas, we bow submissively to God's holy decree, being mindful of the eternal reward promised in his own words, "If you keep my commandments, you shall abide in my love;"

Therefore, be it resolved, that we herewith tender to her sister our sincere sympathy in her bereavement, asking God's consolation and assistance for her in her hour of sorrow; and

Be it further resolved, that her sister be presented with a copy of these resolutions, that a copy be inscribed upon our records, and that a copy be inserted in The Massachusetts Teacher.

MILDRED C. O'BRIEN,

GERTRUDE A. WALLACE,

ELEANOR J. DAIGLE,

### Resolutions

Whereas, with the passing of M. Avis Moran, a valued teacher in the Purchase Primary School, the community has lost an esteemed citizen, her co-workers a congenial companion, efficient and conscientious in the classroom, respected and beloved by those with whom she came in contact; and

Whereas, by her death we have sustained a loss which will leave with us forever an indefinable sense of sorrow; and

Whereas, we bow submissively to God's holy decree, in His all-wise omnipotence, and humbly commend her spirit to the loving and merciful Father Who alone can read all hearts;

Therefore, be resolved, that while we mourn the untimely passing of our associate, M. Avis Moran, it is with a deep and abiding faith in the infinite wisdom of Almighty God that we express the heartfelt sympathy of our Association on the occasion of her death; and

Be it further resolved, that a copy of these resolutions be inscribed upon our records, presented to her family, and printed in The Massachusetts Teacher.

MILDRED C. O'BRIEN,

GERTRUDE A. WALLACE,

ELEANOR J. DAIGLE,

Resolutions Committee.

### Milford Teachers' Association

President—Robert J. Cenedella

Vice-President—Hannah E. Callanan

Secretary—Gertrude E. Moran

Treasurer—Ida Kurlansky

Chairman Executive Com.—Mildred C. O'Brien

Chairman Social Com.—Rita K. Fitzpatrick

During the year, changes in regular schedules have occurred in the program of the Milford Teachers' Association as in all public activities of the town, due to the demands of war and its resulting emergencies. Many of the customary events have been curtailed, as the teachers gave their time and energy to registrations and war rationing of sugar, gasoline, and oil.

Donations were given to the Red Cross, Boy Scouts, and the U.S.O. The Library Committee, composed of Misses Madeleine Kynoch, Mildred O'Brien, and Ada Di-Giannantonio, working with Miss Mae Comba, Librarian, chose the following books as our annual gift to the Milford Public Library:

Freedom Under God, Fulton J. Sheen; The Jewish Festivals, Hayyim Schauss; What Men Live By—Work, Play, Love, Worship, Richard C. Cabot.

We take this opportunity to pay tribute to four of our members on leave of absence while in the armed service of the United States: Capt. David I. Davoren, Capt. Benjamin Consoletti, Lieut. Charles Brucato, and Corp. Gerard Sweeney.

We note with regret the deaths of Miss Katherine G. McDermott, retired principal of the Park School, and Miss M. Avis Moran, teacher in the Purchase Primary School.

Robert J. Cenedella, president, resigned during the Christmas recess and was succeeded by Miss Hannah E. Callanan of the Milford High School faculty.

GERTRUDE E. MORAN,  
Secretary.

## CLASS ODE

Tune: "Evening Song" by Mozart

Hear, thou, our farewell, dear Milford High.  
Now we must leave thee; time passes by.  
But our hearts will not forsake thee, though we're not  
nigh.

"Loyalty binds us" to thee as we part  
From friends and pleasures dear to our heart.  
In the future we shall miss thee; our friend thou art.

So as life's pathway leads us from thee  
On, ever onward, where we may be,  
May we always sing thy praises, "Hail, hail to thee!"
